BUGSY MALONE-

October 28th - 1st November 2014

Under the professional watchful eye of our producer Debbie Spellman, we are extremely excited to be performing Buggy Malone at the Barn theatre in October.

We had a great turnout of over 90 children for auditions and with so many talented youth members coming along we had a huge task in selecting the cast for the show.

We would like to congratulate all those that have been cast and hope to see all those that were not successful this time at the next set of auditions and in deed in the audience in October.

We are extremely lucky to have such an amazing production team with director Alex Aragao who has worked both abroad and in England and now teaches drama professionally and our choreographer Kay Shepherd and Musical Director John Pearson who were part of the original production team of the award winning National Youth Theatre production of Buggy Malone in the West End that starred Sheridan Smith as Tallulah.

As you can see we have a great production team and a great cast and can't wait to bring you this exciting production!

Ticket Details coming shortly.

Look at your diaries now and be ready to book your seats - they will be going fast!

PIRATES OF PENZANCE-REBOOTED

CTC's run of Pirates of Penzance-Rebooted during the Brighton Fringe Festival was an outstanding success.

The committee have been inundated with comments regarding the fabulous performance from the cast, production team and crew.

CTC would like to thank all those who were involved in the show for their hard work and for our supporters for coming to watch a great night of entertainment.

What the reviewers said: -

"One has to admire the work and dedication of the actors and production crew to mount a production like this. In these days of financial restraint when professional theatres cannot afford large casts one has to thank amateur companies such as City Theatre Company (UK) for keeping alive the tradition of Gilbert and Sullivan".(FRINGE)

"Director Andy Stoner's comical Pirates and bloomed Daughters strut their stuff to an updated score arranged by Ellen Campbell. Hilarious pop culture references and subtly altered rhythms change Sullivan more than Gilbert, whose libretto remains mostly intact" (ARGUS).

"It was brilliant...the best musical I have seen in a long time" Child Friendly Brighton
