Congratulations to Andy and Mel Stoner who are to become parents later this year, absolutely wonderful news, it won't be long before we have a new youth member treading the boards.

Many thanks to Vinny Shepherd for organising the recent reunion. It was lovely to see so many familiar faces who have been involved with CTC in the past.

Thanks to all those who brought along their photographs reminding us all of past ventures with the company.

Let's hope that we have many more shows in the future to add to the photo library!
